

NOT SURE WHAT THIS FEELING IS

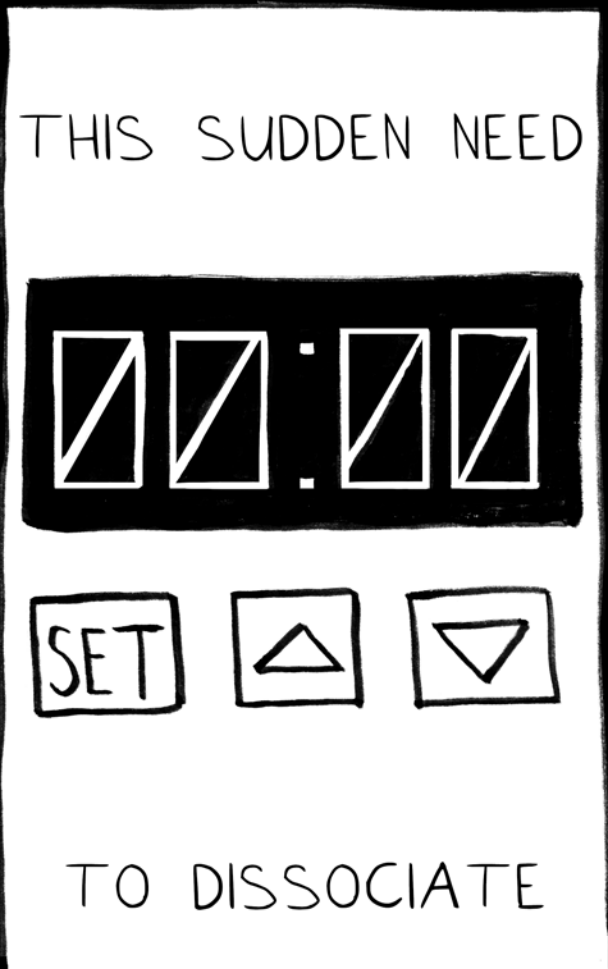

BOREDOM?

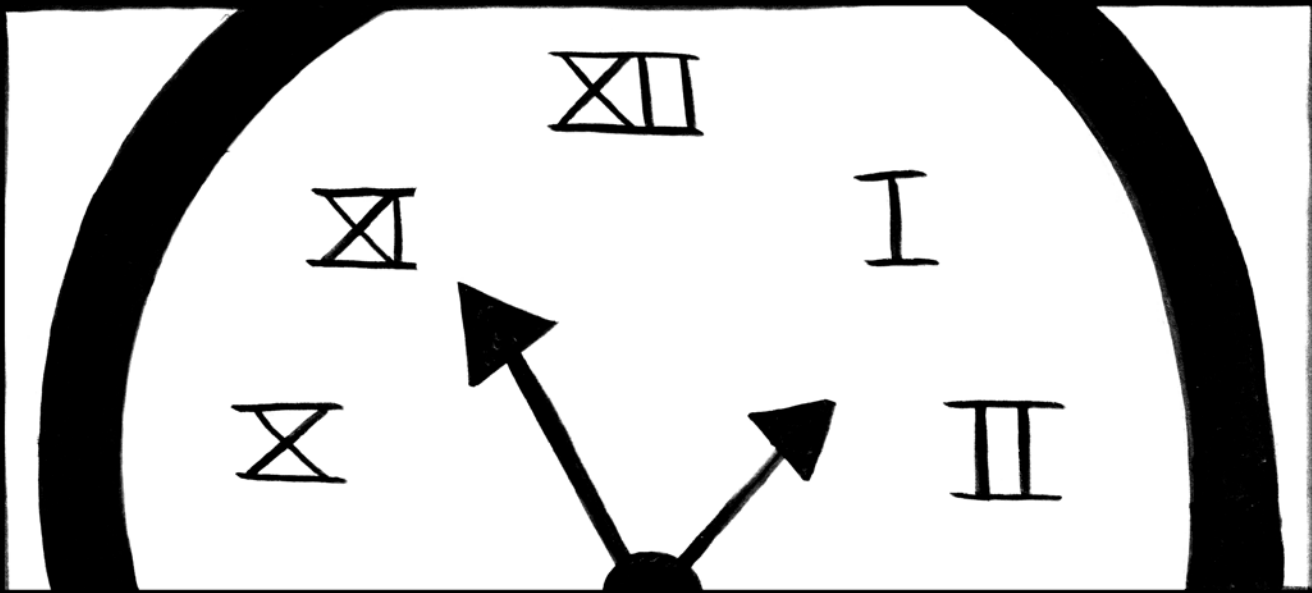

COMPLACENCY?

FEAR?

WITH THE MUNDANE

IS IT THE FEELING I
HAD WHEN I HEARD
THE SOUND OF
CRUNCHING METAL?

I'LL NEVER FORGET THE
SOUND OF THE METAL

THE CRASHING

THE RINGING

OR THE HEAVINESS
IN MY HEART

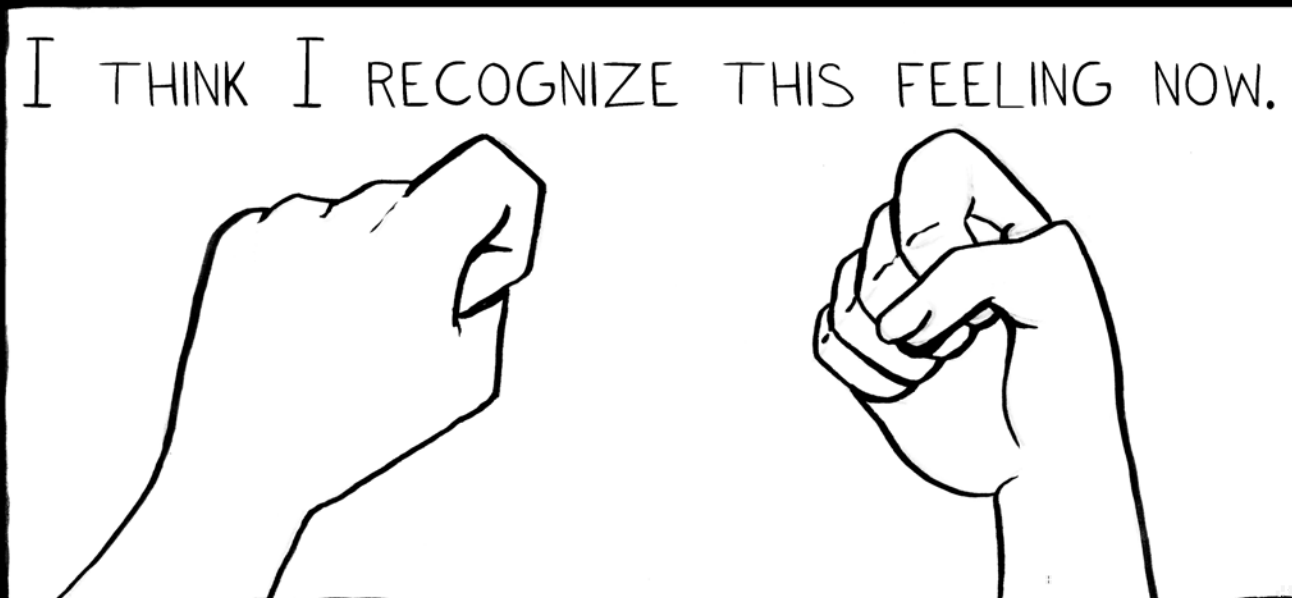

HOPING THE
DRILLS ARE
NEVER REAL.

THE FRUSTRATION

I THINK I RECOGNIZE THIS FEELING NOW.

DREAD.
